**AUDITED CONSOLIDATED  
FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED  
JUNE 30, 2022**

## Directors' Report

### On the Consolidated Financial Statements

The Directors of Shirazi Investments (Private) Limited (the Company) are pleased to present the audited consolidated financial statements for the year ended 30 June 2022.

### Consolidated Results

The comparison of annual audited results for the year ended 30 June 2022 as against the year 2021 is as follows:

| Particulars                                                | (Rupees in million) |                 |
|------------------------------------------------------------|---------------------|-----------------|
|                                                            | 30 June<br>2022     | 30 June<br>2021 |
| Total Revenue                                              | 195,074.00          | 159,058.52      |
| Share of profit of associates and joint venture-net of tax | 1,480.64            | 1,755.30        |
| Profit before tax                                          | 8,749.12            | 12,437.51       |
| Profit after tax                                           | 4,407.53            | 9,151.20        |
| Attributable to:                                           |                     |                 |
| Equity holders of the Holding Company                      | 2,852.67            | 6,603.86        |
| Non-controlling interest                                   | 1,554.86            | 2,547.34        |

Total revenue was Rs. 195,074.00 million in the year 2022 as against Rs. 159,058.52 million last year due to higher revenues and other operating income of the subsidiary companies. The cost of sales and services increased to Rs. 175,707.97 million as against Rs. 139,646.33 million last year. Gross margin from business operations slightly declined to 11.18% compared to last year of 11.90%. The decrease was mainly due to increased material prices and other inflationary impacts. The percentage-wise sales and services cost stood at 90% of sales compared to 88% during the last year. Distribution cost and administration expenses increased by 22% to Rs. 8077.41 million as against Rs. 6,602.61 million last year. Share of profit of associates and joint venture decreased by 16% to Rs. 1,480.64 million from Rs. 1,755.30 million the previous year. Impairment of Rs. 975.53 million in the investment in associates recognized during the year. As a result, profit before tax decreased to Rs. 8,749.12 million from Rs. 12,437.51 million last year. Profit after tax also decreased to Rs. 4,407.53 million from Rs. 9,151.20 million last year.

A brief review of the operational performance of each entity for the year is as follows:

#### Atlas Asset Management Limited

Income from management fees increased to Rs. 457.46 million against Rs. 429.19 million last year. A surge of 6.59% in management fees is mainly due to increased assets under management (AUMs) and annual management fee rates. During the year, Atlas Asset Management earned after tax profit of Rs. 125.27 million against Rs. 169.62 million last year. Unrealized loss recognized on re-measurement of investments dampen the profitability.

#### Atlas Engineering (Private) Limited

Sales for the year were Rs. 2,017.34 million against Rs. 2,379.61 million for the last year. Loss after tax for the year was Rs. (6.51) million against profit after tax of Rs. 64.44 million last year. Change in sales mix, increase in material prices, and other inflationary impacts impacted the profitability.

#### Atlas Power Limited

Revenue for the year was Rs. 29,145.11 million against Rs. 12,370.92 million last year. An increase in power generation and improved capacity utilization resulted in a revenue surge. The Company earned a

profit from operations of Rs. 1,885.19 million against Rs. 2,282.25 million last year. The plunge in profit from operations by 17% was mainly due to an increase in finance cost and loss on discounting of PIBs.

Due to an alteration in Power Purchase Agreement (PPA) agreed with Central Power Purchasing Agency (CPPA-G), the write-off of receivable on account of capacity and interest thereon amounting to Rs. 2,663 million have been recognized. Furthermore, overhauling of plant expenses of Rs. 1,117.88 million were charged during the year. Recognition of these two extraordinary items during the year resulted in a loss after tax of Rs. (1,896.02) million against the profit of Rs. 2,280.92 million during the last year.

#### Shirazi Trading Company (Private) Limited

Revenue for the year was Rs. 3,988.45 million against Rs. 3,133.83 million last year. The new revenue stream of hire purchase sales contributed Rs. 969.42 million in revenue. Profit after tax for the year was Rs. 138.60 million against Rs. 114.38 million last year. The exchange loss recognized during the year of Rs. 85.43 million reduced the profitability.

#### Atlas Autos (Private) Limited

Sales for the year were Rs. 23,050.81 million against Rs. 18,670.92 million last year, witnessing a growth of 23% due to an increase in parts manufacturing and lubricants businesses. Profit after tax for the year was Rs. 843.44 million against Rs. 874.46 million last year. Increased material prices, finance costs, and other inflationary impacts reduced profitability. Furthermore, a loss on disposal of assets of Rs. 209.93 million was recognized during the year.

#### Atlas Metals (Private) Limited

Sales for the year increased to Rs. 180.753 million against Rs. 151.54 million last year due to increased demand from OEM customers. The cost of dismantling assets held for sale and asset write-off was charged during the year, amounting to Rs. 72.32 million and Rs. 52.60 million, respectively. Loss after tax for the year was Rs. (117.48) million against the loss of Rs. 118.47 million last year.

#### Atlas Venture Limited (UAE)

Revenues for the year were Rs. 2.31 million against Rs. 3.27 million last year. Profit for the year was Rs. 1.21 million against Rs. 2.11 million last year.

#### Atlas World Wide General Trading LLC (UAE)

Sales for the year were Rs. 866.31 million against Rs. 881.09 million last year. Profit for the year was Rs. 4.31 million against Rs. 3.91 million last year.

#### Atlas Global FZE (UAE)

Sales for the year were Rs. 6,286.23 million against Rs. 4,641.78 million last year. Profit for the year was Rs. 47.00 million against Rs. 38.69 million last year.

#### Oyster International Holdings Limited (UAE)

Revenues for the year were Rs. 0.11 million against Rs. 0.18 million for the last year. Profit for the year was Rs. 0.02 million against Rs. 0.11 million last year.

#### Atlas Honda Limited

Sales for the year ended 31 March 2021 were Rs. 131,930.19 million against Rs. 93,156.96 million last year. Volume growth coupled with the increase in product prices witnessed growth in revenue by 42%. An increase in sales volumes, better model mix, and cost reduction measures improved the gross profit from Rs. 6,880 million to Rs. 9,866 million, up by 43 percent. Profit after tax for the year ended 31 March 2021 was Rs. 5,585.17 million against Rs. 3,594.79 million last year.

### Atlas Battery Limited

Sales for the year were Rs. 25,029.24 million against Rs. 19,955.09 million last year. The increase in demand for batteries in the replacement market and OEM customers resulted in a rise of 25% in sales. Profit after tax for the year was Rs. 689.44 million against Rs. 895.97 million last year. The surge in raw material prices and inflationary pressure resulted in lower profitability.

### Atlas Insurance Limited

The Company's financial year ends in December. However, based on Jul 21-Jun'22, the net premium was Rs. 1,973.44 million against Rs. 1,621.67 million last year. The increase in revenue was mainly due to a surge in the marine industry's operations, which witnessed 59% growth in premium earned in this segment. Profit after tax for the year was Rs. 790.19 million against Rs. 730.64 million last year.

### Atlas Hitec (Private) Limited

Sales for the year ended 31 March 2021 were Rs. 3,931.63 million against Rs. 2,856.11 million last year. An increase in demand from OEM customer resulted in revenue growth of 38%. Profit before tax for the year is Rs. 83.33 million compared to last year's of Rs. 43.41 million. Deferred tax expense was recognized during the year of Rs. 0.72 million compared to the previous year's deferred tax income of Rs. 30.29 million. Consequently, profit after tax for the year ended 31 March 2021 remained at Rs. 30.30 million against Rs. 30.82 million last year.

### Atlas Energy Limited

Sales for the year were Rs. 201.04 million against Rs. 52.44 million last year. An increase in business operations and contractual revenues resulted in a surge in sales for the year. Profit after tax for the year was Rs. 67.39 million against Rs. 30.90 million last year.

### Zhenfa Pakistan New Energy Company Limited

The Company holds 20% shareholding of Zhenfa Pakistan New Energy Company Limited, a subsidiary of Atlas Power Limited. Zhenfa owned 100 MW solar power plant and leased it to CPPA for 25 years. Zhenfa started its commercial operations on 14 April 2022 and supplied electricity for 2.5 months during the financial year. Revenue recognized during the year is Rs. 823.56 million. The unrealized exchange loss on foreign currency loans during the year is Rs. 799.49 million. Loss after tax for the period was Rs. (187.84) million.

### Atlas DID (Private) Limited

Atlas DID (Private) Limited was incorporated in Pakistan on 22 July 2019. The Company is a subsidiary of Atlas Autos (Private) Limited (a wholly-owned subsidiary). Sales for the year were Rs. 1,507.71 million against Rs. 892.50 million last year. An increase in demand from OEM customer resulted in higher revenues. Increase in material prices, finance costs, and other inflationary impacts curtailed the profitability for the year. Profit after tax for the year was Rs. 19.11 million against Rs. 35.70 million last year.

### Atlas GCI (Private) Limited

Atlas GCI (Private) Limited (AGPL) was incorporated in Pakistan on 6 August 2019 and started commercial production this year. The Company's accounting year ends in December. However, based on Jul'20-Jun'21, the sales revenue amounted to Rs. 39.85 million while having a loss after tax of Rs. (16.37) million.

### Atlas Services Limited

During the current year, Securities & Exchange Commission of Pakistan Acknowledged the receipt of the document(s) filed, registered and recorded pursuant to the provisions of the Companies Act, 2017

(XIX of 2017). Consequently, windingup of Atlas Services Limited has been completed and discontinued to be classified as subsidiary company at year end.

**INDEPENDENT AUDITORS' REPORT****To the members of Shirazi Investments (Private) Limited****Opinion**

We have audited the annexed consolidated financial statements of **Shirazi Investments (Private) Limited** and its subsidiary company (the Group), which comprise the consolidated statement of financial position as at June 30, 2022, and the consolidated statement of profit or loss, the consolidated statement of comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at June 30, 2022, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Information Other than the Financial Statements and Auditors' Report Thereon**

Management is responsible for the other information. The other information comprises of the Directors' Report, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and the Board of Directors for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and Companies Act, 2017 and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Karachi Office:  
Karachi Chambers,  
Hasrat Mohani Road, Karachi.

 Principal Office:  
HM House  
7-Bank Square, Lahore.  
Tel: +92 42 37235094-87  
Email: lhr@hccpk.com

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Group's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The financial statements of the Group for the year ended June 30, 2021 were audited by another firm of Chartered Accountants whose report dated October 6, 2021, expressed an unmodified opinion there on.

The engagement partner on the audit resulting in this independent auditors' report is Osman Hameed Chaudhri.

| - Atlas Venture Limited (AVL)                     | 1.6         | 100.00%                   |
| - Atlas Autos (Private) Limited (AAPL)            | 1.7         | 100.00%                   |
| - Atlas Metal (Private) Limited (AML)             | 1.8         | 100.00%                   |
| - Atlas Services Limited (ASL)                    | 1.9         | 0.00%                     |
| - Atlas Energy Limited (AENL)                     | 1.10        | 100.00%                   |
| - Atlas Global FZE (AGF)                          | 1.11        | 100.00%                   |
| - Atlas Insurance Limited (AIL)                   | 1.12        | 75.33%                    |
| - Atlas Battery Limited (ABL)                     | 1.13        | 60.17%                    |
| - Atlas Honda Limited (AHL)                       | 1.14        | 54.57%                    |
| - Atlas World Wide General Trading LLC (AWWGT)    | 1.15        | 49.00%                    |
| - Atlas Hitec (Private) Limited (AHPL)            | 1.16        | 60.72%                    |
| - Zenfa Pakistan New Energy Limited (ZPNEL)       | 1.17        | 75.25%                    |
| - Atlas DID (Private) Limited (ADIDL)             | 1.18        | 60.00%                    |
| - Atlas GCI (Private) Limited (AGCIL)             | 1.19        | 44.29%                    |
| - Oyster International Holdings Limited (OIHL)    | 1.20        | 100.00%                   |

The year end of all the subsidiaries is same as of the Holding Company except for AHL, AHPL, ADIDPL, AGCIPL, ZPNEL and AIL. The year end of AHPL, ADIDPL and AHL is March 31, and of AIL, AGCIPL and ZPNEL is December 31.

**1.1 Shirazi Investments (Private) Limited (SIL)**

SIL was incorporated on August 27, 1962 as a private limited company. The registered office of the Holding Company is situated at Second Floor, Federation House, Sharaf Firdousi, Clifton, Karachi. The Company is engaged in trading and investment in equity and debt securities, underwriting, real estate and warehousing business.

On May 13, 2016 the Board of Directors of the Company had passed a resolution authorizing the Company to explore the viability of the potential merger between the Shirazi Capital (Private) Limited (SCPL) and Shirazi (Private) Limited (SPL) with and into the Company. The Company had engaged the services of a consultant and decided on a swap ratio in exchange of shares for SCPL and SPL and a scheme of amalgamation (the scheme) was filed in High Court of Sindh after approval from the Board of Directors and shareholders of the Company, SCPL and SPL on June 11, 2016.

The High Court of Sindh through its order dated November 23, 2016 sanctioned the scheme. Pursuant to this sanction, the entire business of SCPL and SPL including their Assets, Liabilities, and the Rights and Obligations have been amalgamated into and vest in the Group with effect from the effective date as mentioned in the scheme i.e., July 01, 2016 which the Group has considered effective date of merger. In consideration, 91,819,873 fully paid ordinary shares of Rs.10 each have been issued to the registered shareholders of SCPL whereas 9,572,566 fully paid ordinary shares of Rs.10 each have been issued to the registered shareholders of SPL.

This amalgamation was accounted for in the books using predecessor's accounting method as it was a business combination of entities under common control and therefore scoped out of IFRS-3 'Business Combinations'. The net assets of SCPL and SPL have been incorporated at their net carrying amount in the books as on June 30, 2016 and the difference in value of the net assets and shares as issued above has been carried in the equity under the head "Amalgamation reserve". Furthermore, the acquired entity's results and balance sheet are incorporated prospectively from the date on which the business combination occurred. Consequently, these financial statements do not reflect the results of the acquired entity for the period before the transaction occurred and the corresponding amounts for the previous year presented are also not restated.

In consequence of the above amalgamation, Atlas Insurance Limited (AIL), Atlas Battery Limited (ABL), Atlas Hitec (Private) Limited (AHPL) and Atlas Honda Limited (AHL) have become subsidiaries of SIL which were previously accounted for as associates.

## **1.2 Atlas Asset Management Limited (AAML)**

AAML was incorporated in Pakistan as a public limited company on August 20, 2002 under the Companies Ordinance, 1984, and obtained certificate for the commencement of business on December 18, 2002. The licensed activity of OIHL is general trading and holding activities.

## 2 STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise:

- International Financial Reporting Standards (IFRSs), issued by International Accounting Standard Board (IASB) as notified under Companies Act, 2017 (the Act);
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as notified under the Act; and
- Provisions of and directives issued under the Act.

Where provisions of and directives issued under the Act differ from the IFRSs, the provisions of and directives issued under the Act have been followed.

## 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies adopted in the preparation of these consolidated financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

### 3.1 Principles of consolidation and equity accounting

#### a) Subsidiaries

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

Intercompany transactions, balances and unrealized gains on transactions between group companies are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests ('NCI') in the results and equity of subsidiaries are shown separately in the consolidated statement of profit or loss, consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of financial position respectively.

#### b) Associates

Associates are all entities over which the Group has significant influence but not control or joint control. This is generally the case where the Group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting (refer to note 3.1 (d)), after initially being recognised at cost in the consolidated statement of financial position.

If the fair value of the consideration paid is less than the fair value of the net identifiable assets of the associate acquired, the difference is recognised directly in the consolidated statement of profit or loss as a bargain purchase.

#### c) Joint arrangements

Under IFRS 11, Joint Arrangements, investments in joint arrangements are classified as either joint operations or joint ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the joint arrangement. The Group has investments in joint ventures.

### **Joint ventures**

Interests in joint ventures are accounted for using the equity method (refer to note 3.1 (d)), after initially being recognised at cost in the consolidated statement of financial position.

### **d) Equity method**

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in the consolidated statement of profit or loss, and the Group's share of movements in consolidated other comprehensive income of the investee in consolidated other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealized gains on transactions between the Group and its associates and joint ventures are eliminated to the extent of the Group's interest in these entities. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.

The Group determines at each reporting date whether there is any objective evidence that the investment in the associate is impaired. If this is the case, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate and its carrying value and recognises the amount in the consolidated statement of profit or loss.

## **3.2 Property, plant and equipment**

### **3.2.1 Operating fixed assets - owned**

These are stated at cost less accumulated depreciation and accumulated impairment losses, if any, except for leasehold land which is stated at revalued amount. The leasehold land is held by AEL, ABL and AHL (subsidiary companies) which carry leasehold land at revalued amount. Cost comprises acquisition and other directly attributable costs. Depreciation is charged to profit and loss account applying the reducing balance / straight line method whereby the cost of an asset is written-off over its estimated useful life at the rates specified in note 6.1 to the financial statements. In respect of additions depreciation is charged from the month in which asset is available for use and on disposal up to the month immediately preceding the deletion.

Leasehold land are revalued by professionally qualified valuers with sufficient regularity to ensure that their net carrying value does not differ materially from their fair value. A surplus arising on revaluation is credited to the surplus on revaluation of fixed assets account. Any deficit arising on subsequent revaluation of fixed assets is adjusted against the balance in the above-mentioned surplus account.

The carrying amounts are reviewed at each balance sheet date to assess whether they are recorded in excess of their recoverable amounts, and where carrying value exceeds estimated recoverable amount, assets are written down to their estimated recoverable amount.

The asset's residual values, useful lives and methods are reviewed, and adjusted if appropriate, at each financial year end.

An item of fixed assets is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the profit and loss account in the year the asset is derecognized.

Maintenance and normal repairs are charged to profit and loss account as and when incurred. Major renewals and improvements are capitalized only when it increases the future economic benefit embodied in the item of property and equipment.

Gains and losses on disposal of fixed assets, if any, are taken to profit and loss account.

### **3.2.2 Capital work-in-progress**

Capital work-in-progress is stated at cost less accumulated impairment losses, if any. It includes advances to suppliers for purchase of assets and expenditure incurred in respect of fixed assets in the course of their construction and installation. Transfers are made to relevant fixed assets categories as and when assets are available for use.

### **3.2.3 Intangible assets**

Intangible assets are stated at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized at the rates specified in note 7.1 to the financial statements. The carrying values of intangible assets are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

### **3.2.4 Right-of-use assets**

The Group recognizes a right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term.

### **3.3 Impairment of non-financial assets**

The Group assesses at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the Group makes an estimate of the asset's recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The recoverable amount of property, plant and equipment is the greater of net selling price and value in use.

### **3.4 Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### **3.4.1 Initial recognition and measurement**

Financial assets and liabilities, with the exception of bank balances, loans and advances to employees / counter parties and due to counterparties, are initially recognized on the trade date, i.e., the date that the Group becomes a party to the contractual provisions of the instrument. This includes regular way trades: purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place.

All financial instruments are measured initially at their fair value plus transaction costs, except in the case of financial assets and financial liabilities recorded at fair value through profit or loss.

#### **Classification**

In accordance with IFRS 9, the Group classifies its financial assets and financial liabilities at initial recognition into the categories of financial assets and financial liabilities discussed below.

**Financial assets**

The Group classifies its financial assets as subsequently measured at amortized cost or measured at fair value through profit or loss on the basis of both:

- The entity's business model for managing the financial assets.
- The contractual cash flow characteristics of the financial asset.

**3.4.2 Financial assets measured at fair value through other comprehensive income (FVOCI)****a) Debt instruments at FVOCI**

FVOCI debt instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognized in OCI. Interest income and foreign exchange gains and losses are recognized in profit or loss. On de-recognition, cumulative gains or losses previously recognized in OCI are reclassified from OCI to profit or loss. Debt instruments are subject to impairment under Expected Credit Loss model. The ECLs for debt instruments measured at FVOCI do not reduce the carrying amount of these financial assets in the statement of financial position, which remains at fair value. Instead, an amount equal to the allowance that would arise if the assets were measured at amortized cost is recognized in OCI as an accumulated impairment amount, with a corresponding charge to profit or loss. The accumulated loss recognized in OCI is recycled to the profit and loss upon de-recognition of the assets.

**b) Equity instruments at FVOCI**

Upon initial recognition, the Group elects to classify irrevocably its equity investments as equity instruments at FVOCI when they meet the definition of Equity instruments under IAS 32 Financial Instruments: Presentation and are not held for trading. The Group's policy is to designate equity investments as FVOCI when those investments are held for purposes other than to generate investment returns. Such classification is determined on an instrument by instrument basis.

Gains and losses on these equity instruments are never recycled to profit. Dividends are recognized in profit or loss as other operating income when the right of the payment has been established, except when the Group benefits from such proceeds as a recovery of part of the cost of the instrument, in which case, such gains are recorded in OCI. Equity instruments at FVOCI are not subject to an impairment assessment.

**3.4.3 Financial assets measured at amortized cost**

A debt instrument is measured at amortized cost if it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Financial assets at amortized cost are subject to impairment under Expected Credit Loss model.

**3.4.4 Financial assets measured at fair value through profit or loss**

A financial asset is measured at fair value through profit or loss if:

- (a) Its contractual terms do not give rise to cash flows on specified dates that are solely payments of principal and interest (SPPI) on the principal amount outstanding;
- (b) It is not held within a business model whose objective is either to collect contractual cash flows, or to both collect contractual cash flows and sell; or
- (c) At initial recognition, it is irrevocably designated as measured at FVPL when doing so eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise from measuring assets or liabilities or recognizing the gains and losses on them on different bases.

### 3.4.5 Financial liabilities

#### Financial liabilities measured at amortized cost

This category includes all financial liabilities, other than those measured at fair value through profit or loss, if any.

#### De-recognition

A financial asset (or, where applicable, a part of a financial asset or a part of a group of similar financial assets) is derecognized where the rights to receive cash flows from the asset have expired, or the Group has transferred its rights to receive cash flows from the asset, or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement and the Group has:

- (a) Transferred substantially all of the risks and rewards of the asset; or
- (b) Neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its right to receive cash flows from an asset (or has entered into a pass-through arrangement), and has neither transferred nor retained substantially all of the risks and rewards of the asset nor transferred control of the asset, the asset is recognized to the extent of the Group's continuing involvement in the asset. In that case, the Group also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained. The Group derecognizes a financial liability when the obligation under the liability is discharged, cancelled or expired.

#### Impairment of financial assets

The adoption of IFRS 9 has fundamentally changed the Group's accounting for impairment losses for financial assets by replacing IAS 39's incurred loss approach with a forward-looking expected credit loss (ECL) approach. IFRS 9 requires the Group to record an allowance for ECLs for all loans and other debt financial assets not held at FVPL. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive. The shortfall is then discounted at an approximation to the asset's original effective interest rate.

The Group considers a financial asset in default when contractual payments are past due ranging from 210 days to 300 days depending upon customer segment. However, in certain cases, the Group may also consider a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

The Group has applied the standard's simplified approach and calculated ECL based on life-time ECL on its financial assets. The Group has established a provision matrix that is based on the Group's historical credit loss experience, adjusted for forward-looking factors specific to the financial assets and the economic environment. The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions. The Group's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future. The expected credit losses are recognized in the statement of profit or loss.

#### Offsetting of financial assets and financial liabilities

A financial asset and a financial liability is offset and the net amount is reported in the statement of financial position of the Group has a legally enforceable right to set-off the recognized amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

### 3.5 Derivatives

These are measured at fair value. Derivatives with positive fair values (unrealized gains) are included in other assets and derivatives with negative fair values (unrealized losses) are included in other liabilities in the balance sheet. The resultant gains and losses are included in the profit and loss account.

### 3.6 Securities under repurchase / reverse repurchase agreements

Transactions of repurchase / reverse repurchase of marketable securities are entered into at contracted rates for specified periods of time and are accounted for as follows:

#### 3.6.1 Repurchase agreements

Securities sold with a simultaneous commitment to repurchase at a specified future date (repos) continue to be recognized in the balance sheet and are measured in accordance with accounting policies for investment. The counterparty liabilities for amounts received under these transactions are recorded as liabilities. The difference between sale and repurchase price is treated as borrowing charges and accrued over the life of the repo agreement. Securities purchased under agreements to resell (Reverse repurchase agreements) are reported not as purchases of the securities, but as receivables and are carried in the balance sheet at cost.

#### 3.6.2 Reverse repurchase agreements

Securities purchased with a corresponding commitment to resell at a specified future date (reverse-repos) are not recognized in the statement of assets and liabilities. Amounts paid under these agreements are included as receivables in respect of reverse repurchase transactions. The difference between purchase and resale price is treated as income from reverse repurchase transactions and accrued over the life of the reverse-repo agreement.

### 3.7 Financial instruments

All financial assets and financial liabilities are recognized at the time when the Group becomes a party to the contractual provisions of the instrument. Financial assets are derecognized when the contractual rights to receive cash flows related to the asset expire. Financial liabilities are derecognized when they are extinguished, that is, when the obligation specified in the contract is discharged, cancelled, or expires. Any gain or loss on derecognition of the financial assets and financial liabilities is taken to income currently.

The Company's principal financial assets are investments, loans and advances, deposits, cash and bank balances and other receivables.

### 3.8 Stores, spare parts and loose tools

Stores, spare parts and loose tools are valued at lower of cost and net realizable value. Cost is determined on an average basis except for goods in transit which are valued at invoice price plus other related charges paid thereon up to the balance sheet date. Provision is made for slow moving and obsolete items, if any, to write them down to their estimated net realizable value.

### 3.9 Stock-in-trade

Stock-in-trade, except items-in-transit, is valued at the lower of average purchase cost and net realizable value. Stock-in-transit is stated at invoice value plus other charges paid thereon to the balance sheet date.

Work-in-process and finished goods consist of direct materials and labour and a proportion of manufacturing overheads.

Net realizable value signifies the estimated selling price in the ordinary course of business less estimated costs of completion and the estimated costs necessary to make the sale.

### 3.10 Trade debts

Trade debts originated by the Group are recognized and carried at original invoice amount less provision for any uncollectible amounts. An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written-off when identified.

### 3.11 Loans and advances

These are stated at cost, which is the fair value of consideration given, less provision for doubtful receivables.

### 3.12 Employee Benefits

#### 3.12.1 Employee compensated absences

Employee entitlements to annual leave are recognized when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the balance sheet date using their current salary levels. However, in respect of employees of the Holding Company, accrual for compensated absences is made in accordance with the independent actuarial valuation.

#### 3.12.2 Post employment benefits

Retirement benefits are payable to staff on completion of prescribed qualifying period of service. The main features of the schemes operated by the Group for its employees are as follows:

##### (i) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than the defined contribution plan. The Group's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in return for their service in current and prior periods; that benefit is discounted to determine its present value. The calculation is performed annually by a qualified actuary using the Projected Unit Credit method.

##### (a) Gratuity plan

###### Funded

There are approved funded defined benefit gratuity schemes for all permanent employees of the Parent Company, AAML, AEL, STC, APL, AAPL, AML, AIL, ABL, AHL and AHPL subject to attainment of service of prescribed minimum period. The contributions to the scheme are made in accordance with the independent actuarial valuation.

###### Unfunded

ABL, AHL and AEL operates an approved unfunded gratuity scheme for its non-management staff. The contributions to the scheme are made in accordance with the independent actuarial valuation.

##### (ii) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contribution into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution plans are recognized as an employee benefit expense in consolidated statement of profit or loss when they are due. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in future payments is available.

The Parent Company, SIL, AAML, AEL, STC, APL, AAPL, AML, AIL, ABL, AHL, AHPL and AAL operate a recognized / approved contributory provident fund for its permanent employees, who have completed the minimum qualifying period of service. Equal monthly contributions at the rate of 11.00% per annum of basic salaries plus dearness allowance and cost of living allowance are made by the Parent Company and the employees to the fund.

#### 3.12.3 Long service award

The Holding Company and APL in the Group make provision for long service award, to which employees are entitled after the completion of each 5 years of their service, with a minimum of 15 years of service.

**3.13 Borrowing costs**

Borrowing cost incurred to the extent that is directly attributable to the acquisition, construction or production of the qualifying assets are capitalized and included in respective assets. All other borrowing costs are recognized as an expense in the period in which they are incurred.

**3.14 Ijarah rentals**

Ijarah payments under an Ijarah arrangement are recognized as an expense in the profit and loss account on a straight line basis over the Ijarah term unless another systematic basis is representative of the time pattern of the user's benefit.

**3.15 Trade and other payables**

Liabilities for trade and other amounts payable are carried at cost, which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Group.

**3.16 Provisions**

Provisions are recognized in the balance sheet when the Group has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligations can be made.

**3.17 Government Grant**

Government grants are recognized where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. As the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

**3.18 Lease liabilities**

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

**Group as a lessee**

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

**Lease liabilities**

At the commencement date of the lease, the Group recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the termination option is reasonably certain to be exercised. Variable lease payments that do not depend on an index or a rate are recognized as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments at the lease commencement date, the Group uses the interest rate implicit in the lease. In case where the interest rate implicit in the lease is not readily determinable, the Group uses its incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

**Short-term leases**

The Group applies the short-term lease recognition exemption to its short-term leases of premises (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases are recognized as expense on a straight-line basis over the lease term.

**Determining the lease term of contracts with renewal and termination options**

The Group determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Group has several lease contracts that include extension and termination options. The Group applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Group reassesses the lease term if there is a significant event or change in circumstances that is within its control that affects its ability to exercise or not to exercise the option to renew or to terminate.

**Estimating the incremental borrowing rate**

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate ('IBR') to measure lease liabilities. The IBR is the rate of interest that the Group would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

**3.19 Taxation****Current**

The charge for current taxation is based on taxable income at the current rates of taxation after taking into account applicable tax credits, rebates and exemptions available, if any in accordance with the Income Tax Ordinance, 2001. Profit and gains derived by APL from the power generation project are exempt from the tax under clause 132 of part I of the second schedule to the Income Tax Ordinance, 2001.

**Deferred**

Deferred tax is calculated using the liability method on all temporary differences at the balance sheet date between the tax base of the assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences and unused tax losses to the extent that it is probable that the deductible temporary differences will reverse in the future and sufficient taxable profits will be available against which the deductible temporary differences and unused tax losses can be utilized.

The carrying amount of all deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the tax rates (and tax laws) that have been enacted or subsequently enacted at the balance sheet date.

### 3.20 Revenue recognition

- Capital gains or losses on sale of investments are recognized in the period in which they arise.
- Dividend income from investments is recognized when the Group's right to receive dividend has been established.
- Interest / return on Term Finance Certificates, loans and advances and bank deposits are recognized on accrual basis.
- Gains or losses on sale of investment properties and fixed assets are recognized in the period in which they are derecognized / disposed.
- Rental and commission income is recognized on accrual basis.
- Income from reverse repurchase transactions is recognized on a time proportion basis.
- Remuneration for asset management, investment advisory, and pension fund management services is calculated on Net Assets Value basis and is recognized on an accrual basis.
- Commission income from funds under management is recognized at the time of the sale of units.
- According to IFRS 15, revenue is recognized to depict the transfer of promised goods or services to a customer in an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.
- The Group receives revenue for supply of goods to external customers. The majority of contracts that the Group enters into relate to sales orders containing single performance obligations for the delivery of the goods. The Group has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customer.
- Revenue from sale of goods is recognized at the point in time when control of the asset is transferred to the customer. The point at which control passes is determined by each customer arrangement, but generally occurs on delivery of goods to the customer. The normal credit term is 30 to 45 days upon delivery. Revenue represents net invoice value including fixed and variable consideration wherever applicable. Variable consideration arises on the sale of goods as a result of discounts and allowances given and accruals for estimated future returns and rebates. Revenue is not recognized in full until it is highly probable that a significant reversal in the amount of cumulative revenue recognized will not occur.
- The methodology and assumptions used to estimate rebates and returns wherever applicable are monitored and adjusted regularly in the light of contractual and legal obligations, historical trends, past experience and projected market conditions. Once the uncertainty associated with the returns and rebates is resolved, revenue is adjusted accordingly.
- If the time between the recognition of revenue and payment from the customer is expected to be more than one year and the impact is material, the amount of consideration is discounted using appropriate discount rates wherever necessary.

### 3.21 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are only offset and the net amount reported in the balance sheet when there is a legally enforceable right to set off the recognized amount and the Group intends to either settle on a net basis or to realize the asset and settle the liability simultaneously.

### 3.22 Foreign currency transactions

These financial statements are presented in Pak Rupee, which is the Group's functional and presentation currency. Foreign currency transactions during the year are recorded at the exchange rates approximating those ruling on the date of the transaction. Monetary assets and liabilities in foreign currencies are translated at the rates of exchange ruling at the balance sheet date. Gains and losses on translation are taken to profit and loss account. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

### 3.23 Goodwill

Goodwill represents the difference between the cost of acquisition and the fair value of the Group's share of net identifiable assets of the acquired entity at the date of acquisition. Any excess of net assets over cost of acquisition is credited to profit and loss account in the period in which the acquisition is made. Following initial recognition, goodwill is measured at cost less any accumulated impairment losses.

For the purpose of impairment testing goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the synergies of the combination. Goodwill is reviewed for impairment, annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired. The impairment loss, if any, resulting from such review is charged to the profit and loss account.

### 3.24 Dividend and appropriation to reserves

Dividend and appropriation to reserves are recognized in the financial statements in the period in which these are approved by the shareholders.

### 3.25 Transactions with related parties

Transactions with related parties are entered in the normal course of business, or at contracted rates and terms determined in accordance with market rates.

### 3.26 Earnings per share

The Group presents basic and diluted earnings / loss per share for its shareholders. Basic earnings / loss per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Group by the weighted average number of ordinary shares outstanding during the year.

### 3.27 Cash and cash equivalents

Cash and cash equivalents are carried in balance sheet at cost. For the purpose of cash flow statement, cash and cash equivalents comprise of cash in hand, cheques / pay orders and bank balances.

## 4 ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis.

Judgments made by management in the application of accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment are as follows:

- (a) Determining the residual values and useful lives of property, plant and equipment and intangible assets [ note 3.2, 6.1 & 7 ];
- (b) Lease term and discount rate for calculation of lease liabilities [ note 3.18 ];
- (c) Impairment of non-financial assets [ note 3.3 ]
- (d) Classification and valuation of investments [ note 3.4 ]
- (e) Provision for slow moving stock-in-trade and adjustment of stock-in-trade to their net realizable value [ note 3.8 & 3.9 ]
- (f) Accounting for staff retirement benefits [ note 3.12 ]
- (g) Estimation of current and deferred taxation [ note 3.19 ]

**5 NEW AND AMENDED STANDARDS AND INTREPRETATIONS****5.1 Standards, amendments to approved accounting standards effective in current year**

New and amended standards and interpretations mandatory for the first time for the financial year beginning July 1, 2021:

**(a) IFRS 16 Leases - Rent concessions**

Under IFRS 16, rent concessions often met the definition of a lease modification, unless they were envisaged in the original lease agreement. The amendment exempts lessees from having to consider individual lease contracts to determine whether rent concessions occurring as a direct consequence of the covid-19 pandemic are lease modifications and allows lessees to account for such rent concessions as if they were not lease modifications. It applies to covid-19-related rent concessions that reduce lease payments due on or before June 30, 2021. The Board has extended the practical expedient by 12 months – i.e. permitting lessees to apply it to rent concessions for which any reduction in lease payments affects only payments originally due on or before June 30, 2022. This optional exemption gives timely relief to lessees and enables them to continue providing information about their leases that is useful to investors. The amendment does not affect lessors.

The other new standards, amendments to approved accounting standards and interpretations that are mandatory for the financial year beginning on July 1, 2021 are considered not to be relevant or to have any significant effect on the Company's financial reporting and operations.

**5.2 Standards, amendments to approved accounting standards and interpretations that are not yet effective and have not been early adopted by the Company**

The following new standards and amendments to approved accounting standards are not effective for the financial year beginning on July 1, 2021 and have not been early adopted by the Company.

**(a) IAS 37 Onerous contracts**

Under IAS 37 'Provisions, Contingent Liabilities and Contingent Assets', a contract is 'onerous' when the unavoidable costs of meeting the contractual obligations – i.e. the lower of the costs of fulfilling the contract and the costs of terminating it – outweigh the economic benefits. The amendments clarify that the 'costs of fulfilling a contract' comprise both the incremental costs – e.g. direct labour and materials; and an allocation of other direct costs – e.g. an allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract.

**(b) IAS 16 Proceeds before an asset's intended use**

Amendment to IAS 16 'Property, Plant and Equipment' prohibit a company from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, a company will recognize such sales proceeds and related cost in profit or loss. The amendments apply retrospectively, but only to items of PPE made available for use on or after the beginning of the earliest period presented in the financial statements in which the company first applies the amendments.

**(c) IAS 1 Classification of liabilities as current or non current**

Under existing IAS 1 requirements, companies classify a liability as current when they do not have an unconditional right to defer settlement of the liability for at least twelve months after the end of the reporting period. As part of this amendments, the requirement for a right to be unconditional has been removed and instead, the amendments requires that a right to defer settlement must have substance and exist at the end of the reporting period.

**(d) IAS 1 Disclosure of accounting policies**

Amendments to IAS 1, 'Presentation of Financial Statements' includes requiring companies to disclose their material accounting policies rather than their significant accounting policies, clarifying that accounting policies related to immaterial transactions, other events or conditions are themselves immaterial and as such need not be disclosed and also clarifying that not all accounting policies that relate to material transactions, other events or conditions are themselves material to a company's financial statements.

**(e) IAS 8 Definition of accounting estimates**

The International Accounting Standards Board (the Board) has issued these amendments to end diversity in treatment of accounting estimates and clarified how companies should distinguish changes in accounting policies from changes in accounting estimates, with a primary focus on the definition of and clarifications on accounting estimates. Developing an accounting estimate includes both selecting a measurement technique (estimation or valuation technique) – e.g. an estimation technique used to measure a loss allowance for expected credit losses when applying IFRS 9 Financial Instruments; and – choosing the inputs to be used when applying the chosen measurement technique – e.g. the expected cash outflows for determining a provision for warranty obligations when applying IAS 37 Provisions, Contingent Liabilities and Contingent Assets. The effects of changes in such inputs or measurement techniques are changes in accounting estimates.

**(f) IAS 12 Deferred tax**

The amendments narrow the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and off setting temporary differences. As a result, companies will need to recognize a deferred tax asset and a deferred tax liability for temporary differences arising on initial recognition of a lease and a decommissioning provision.

There are number of other standards, amendments and interpretations to the approved accounting standards that are not yet effective and are also not relevant to the Company and therefore, have not been presented here.

| 6 | PROPERTY, PLANT AND EQUIPMENT | Note | 2022               | 2021              |
|---|-------------------------------|------|--------------------|-------------------|

- 8.4.1** Madian Hydro Power Limited (MHPL) is a joint venture of the Holding Company and Cherat Cement Company Limited. The project was formed to build, operate and maintain hydro power generation plant at Madian over River Swat for the generation and supply of electric power.

Technical feasibility of MHPL was completed in 2009, which was approved by the Private Power and Infrastructure Board (PPIB). Due to the law and order situation in Swat and adjoining areas the project was not undertaken. In view of the uncertainty involved, the management of the Group in the prior years had decided to record full impairment loss on this investment in MHPL amounting to Rs. 108 million. During the year, MHPL entered into an agreement with Pakhtunkhwa Energy Development Organization (PEDO) for sale of the feasibility study for total consideration of Rs.160 million and has also received the sale consideration net of tax. Accordingly, reversal of impairment loss net of tax has been booked in these financial statements.

- 11.1 These represent interest free loans provided to employees of the Company in the form of staff personal loan and motor vehicle loan. Loans aggregating Rs. 108.8 million (2021: Rs. 79.2 million) are provided for purchase of motorcycles and are repayable in forty eight equal monthly instalments. These loans are secured against respective motorcycles and employees' vested retirement benefits. Advances are unsecured and are repayable in twenty four equal monthly instalments.
- 11.2 The maximum amount of loans and advances to the key management personnel outstanding at the end of any month during the year ended June 30, 2022 was Rs. 1.64 million (2021: Rs. Nil).
- 11.3 The carrying values of these loans are neither past due nor impaired. The credit quality of these financial assets can be assessed with reference to no default in recent history.
- 11.4 This relates to an interest free loan provided to Multan Electric Power Company (MEPGO) to meet the 100% expenses of grid interconnection at Tehsil Chaubara, Layyah, Punjab. The Group has paid Rs. 133.4 million in lump-sum (estimated cost of interconnectivity from Company to Power Purchaser system). This loan will be repaid in 36 equal monthly instalments (3 years) starting from November 2023 onwards, including the grace period of 18 months. The financial impact of discounting to present value is considered as immaterial.

**16.1** These include trade receivables from CPPA-G (previously from NTDC) under PPA and are considered good. These are secured by a guarantee from the Government of Pakistan (GoP) under the Implementation Agreement and are in normal course of business and interest free. However, a penal mark-up at the rate of 3 months KIBOR plus 2% for first 60 days and 4.5% thereafter is charged in case the amounts are not paid within due dates. Included herein is delayed payment interest of Rs. 1,117 million (June 2021: Rs. 6,822 million) at the KIBOR plus 2% for first 60 days and 4.5% thereafter (June 2021: KIBOR plus 4.5%) per annum.

**16.2** Reconciliation of provision against doubtful debts is as follows:

**24.1** Represents financing obtained by AEL from a commercial bank for capital expenditure (incurred and to be incurred) carrying mark-up at the rate of 3 months KIBOR + 0.95% (2021: 3 months KIBOR + 0.95%). The loan along with the mark-up is repayable in 18 equal quarterly instalment commencing from January 2021. AEL during the year repaid instalments aggregating Rs.66.667 million (2021: Rs.33.33 million). The facility is secured by way of first pari-passu charge over immovable fixed assets and by way of hypothecation on movable fixed assets of the AEL.

**24.2** AAL had obtained term finance amounting Rs.500 million from Allied Bank Limited for the purpose of strategic investments. The loan carries mark-up at the rate of 3 months KIBOR plus 0.6% and is secured against first pari passu hypothecation charge on existing and future plant & machinery with 25% margin and equitable mortgage against land with 25% margin of AAL. This loan is for five years from the date of disbursement (November 28, 2018) and is repayable in 16 quarterly instalments with grace period of one year. The principal repayments have been further deferred for twelve months inline with the State Bank of Pakistan's BPRD Circular letter No. 13 of 2020 dated March 26, 2020. Resultantly the revised maturity date is November 28, 2024 as compare to its previous maturity of November 28, 2023. AAL during the year repaid Rs.198.52 million.

- 24.3** The ABL had obtained term loan amounting Rs.500,000 thousand from Allied Bank Limited for the purpose of its balance sheet re-profiling. The loan carries mark-up at the rate of 6 months KIBOR plus 0.6% and is secured against first pari passu hypothecation charge on plant & machinery with 25% margin. This loan is for five years from the date of disbursement (November 27, 2019) and is repayable in 6 equal bi-annual instalments with a grace period of one year.
- 24.4** ZPNE has acquired long term loan facility from Habib Bank Limited for the construction of 100 MW solar power plant for generation and supply of electricity against the total sanctioned limit of Rs. 3,318 million (31 December 2021: 3,318 million). This loan carries a mark up rate of 3M Kibor + 1.75% (31 December 2021: 3M Kibor + 1.75%). This loan is repayable in 56 unequal quarterly instalments starting from 30 June 2022. This loan is secured against all the hypothecated assets and share capital of ZPNE.
- 24.5** ZPNE has acquired debt financing amounting to USD 28,000,000 (31 December 2021: USD 25,933,398) from British International Investment Plc (formerly CDC Group Plc) for construction of 100 MW solar power project plant for generation and supply of electricity. The loan carries mark up at the rate of 3 Months USD LIBOR plus 4.25% (31 December 2021: 3 Months USD LIBOR plus 4.25%). This loan is repayable in 56 unequal quarterly instalments starting from 30 June 2022. This loan is secured against all the hypothecated assets and share capital of the ZPNE.
- 24.6** During the prior years, the AEN obtained long term loans from SBP under Green Financing Facility in aggregate of PKR 203 million having a total limit of PKR 270 million payable in 40 equal quarterly instalments. The loans were obtained by the AEN for the purpose of financing the capital expenditure incurred during the year. These facilities were secured by current and non-current assets of AEN with the margin of 10% and 20% respectively. The rate of mark-up is 4.75% and 4% on phase-1 and phase-2 loan, respectively. The loans will be payable on each quarter along with the payment of principal. These facilities also include certain financial covenants, breaches in meeting the financial covenants would permit the bank to immediately call these bank facilities.
- 24.7** During the year, the AEN obtained long term loan amounting in aggregate of PKR 272.5 million having a total limit of PKR 400 million including loan from SBP under Green Financing Facility of PKR 150 million payable in 40 equal quarterly instalments. The loans are obtained by AEN for the purpose of financing the capital expenditure incurred during the year. This facility is secured by current and non-current assets of AEN with the margin of 20%. The rate of mark-up is 4% for the loan facility of PKR 150 million and Kibor plus 1% for the loan facility of PKR 122.5 million. The loans will be payable on each quarter along with the payment of principal. This facility also includes certain financial covenants, breaches in meeting the financial covenants would permit the bank to immediately call these bank facilities.
- 24.8** In 2019, APL acquired an Islamic financing facility i.e. Diminishing Musharakah from an Islamic Bank amounting to Rs. 1,500 million from NBP for 5 years from the date of first draw down inclusive of grace period of 2 years. The sharing ratio of bank and the APL are 75:25 in the Musharakah Assets. Repayment will be started from 2022 of 6 equal buyout prices (instalments). However profit shall be paid quarterly at the rate of 3 Months KIBOR + 1.5% with a floor of 5% and Cap of 25%. - 31.1 The Group has short term running finance, musharakah and money market facilities under mark-up arrangements aggregating to Rs. 51,030 million (2021: Rs. 41,497 million) from various commercial and Islamic banks carrying mark-up ranging between 12.00% to 14.91%. The facilities utilized against these arrangements are secured against equitable mortgage on lands and buildings, first pari passu hypothecation charge over present and future book debts, stock, spares and tools, fuel stock and pledge of shares and mutual funds units. The unavailed aggregate credit facility of these finances amounts to Rs. 34,747 million (2021: Rs. 24,373 million). These facilities are expiring on various dates upto 31 May 2023.

**32 CONTINGENCIES & COMMITMENTS****32.1 Contingencies in respect of subsidiaries****32.1.2.1 Atlas Asset Management Limited (AAML)**

The Finance Act, 2013 has enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from June 13, 2013. As the asset management services rendered by the Management Company to the Funds are already subject to provincial sales tax on services levied by the Sindh Revenue Board (SRB), which is being charged to the funds and the Management Company collects the same as withholding agent and deposits the same with the SRB, the Management Company is of the view that further levy of FED is not justified. However, as a matter of abundant caution, provision is being made in the books of account of the mutual funds and pension funds being managed by the Company, these funds being the recipient of the asset management services, and there is no impact on the financial statements of the Management Company.

Various asset management companies including the Company, together with their representative Collective Investment Schemes through their trustees, have filed a petition in the High Court of Sindh (SHC), challenging the levy of FED. In this respect, SHC has issued a stay order against recovery proceedings. SHC, through its order dated June 30, 2016, stated that any notices issued, proceedings taken or pending, orders made, duty recovered or action taken under the Federal Act 2005 in respect of rendering of services are to be quashed and set aside. Thereafter Deputy Commissioner Inland Revenue appealed in the Supreme Court against SHC order which is still a pending adjudication.

Further, the Finance Act 2016, also introduced an amendment to the Federal Excise Act, 2005 whereby FED was withdrawn on services of different industries including Non-Banking Financial Institutions, which are already subject to provisional sales tax.

- 32.1.2.2 With effect from July 01, 2011, the asset management services rendered by the Company to the mutual funds and pension funds under its management fall within the scope of taxable services under Sindh Sales Tax Act, chargeable at the rate of 15% on the asset management services rendered, which the Company collects from the mutual funds / pension funds as a collecting agent and thereafter deposits the same with the SRB. The Company, being registered in the province of Sindh, is registered with the SRB as a service provider.

During year ended June 30, 2014, the Company as well as various other AMC's registered in the province of Sindh received notices from the Punjab Revenue Authority (PRA), requiring the Company / other AMC's to register with the PRA for the asset management services rendered in the Punjab through the offices of the Company in the Punjab. During the proceedings, it was explained to the PRA that the Company's offices in the Punjab only relate to sales offices, and no asset management services are rendered from such offices. All asset management services are rendered by the Company directly from its Head Office located in Karachi. Further, the full amount of provincial tax liability was being duly discharged to the SRB, hence, without prejudice to the main contention, the question, if any, related to apportionment between the two provinces and not double taxation. During the proceedings, meetings have been held with the officials of both, SRB and PRA at the collective forum of the Mutual Funds Association of Pakistan (MUFAP) together with the tax consultants, to work out any suitable basis of apportionment of the tax already being paid by the Company and other AMC's. However, such meetings remained inconclusive.

Despite the detailed explanations furnished and the meetings held with the officials of the SRB and PRA as stated above, on June 26, 2014, the Company received a show cause notice from the PRA, requiring payment of Rs.7.66 million as alleged Punjab Sales Tax on services for the period July 01, 2013 to December 31, 2013, and requiring the Company to explain why penalty proceedings should not be initiated there against. Such alleged amount is in addition to the Sindh Sales Tax on services already paid to the SRB for the period. Similar show cause notices have been received by other AMC's.

On July 08, 2014, the Company and other AMC's, have filed a petition in the SHC against both, SRB and PRA, challenging the issuance of such show cause notice by PRA and the alleged levy of Punjab Sales Tax on services therein, as well the non-resolution of issue of apportionment of the total 16% tax on asset management services, which is already being paid to the SRB. In the initial hearing, the SHC has suspended the operation of the notice. The case is still pending adjudication. No provision has been made in these financial statements for the alleged tax liability of Rs.7.66 million, as the management is confident that the ultimate outcome will be in the Company's favour.

### 32.1.3 Atlas Battery Limited (ABL)

32.1.3.1 The Company received notice from the Directorate of Intelligence and Investigation, FBR, Lahore in which it had been alleged that the Company purchased goods from certain suppliers who were registered with Regional Tax Offices, but were fake and issued sales tax invoices to the Company on the basis of which the Company claimed input tax adjustment amounting to Rs.29.066 million which according to them was illegal / inadmissible. The name of the Company along with 135 other companies and individuals had therefore been included as an accused person in the First Information Report (FIR) No.04/2011 dated March 26, 2011 registered by the Additional Director, Intelligence and Investigation, FBR, Lahore. The Company has, therefore, filed a Constitutional Petition in the Honourable Lahore High Court (the Court) and prayed to quash the FIR against the Company and declare the notice illegal. The Court has granted stay order and advised the concerned authorities to restrain from further proceeding with the matter. Further, the Court has quashed the criminal proceedings initiated against the Company as being unconstitutional, violative of fundamental rights and ultra vires the Sales Tax Act, 1990 (the Act). The FBR against the orders of the Court has filed an appeal in Honourable Supreme Court of Pakistan, which is pending for hearing.

32.1.3.2 Deputy Commissioner Inland Revenue (DCIR), Large Taxpayers Office, Karachi, for the tax year 2013 passed an order dated September 30, 2014 under section 161 / 205 of the Income Tax Ordinance, 2001 (the Ordinance) on account of non-deduction of tax on freight & forwarding charges and discounts allowed to dealers. DCIR through this order created an aggregate demand of Rs.206.534 million including additional tax. An appeal was filed before the CIR(A) on October 22, 2014 against the above order. The Company paid the demand of Rs.0.1 million which pertains to a tax deduction on freight charges and filed a stay application on October 27, 2014 before CIR(A) against the recovery of balance of the demand. The stay against recovery of demand was granted by the CIR(A) on October 27, 2014 subject to partial payment of Rs.50 million which was paid on October 29, 2014. Pursuant to above appeal, CIR(A), on March 31, 2015, passed an order under section 129 of the Ordinance and granted relief in respect of issue of non-deduction of tax amounting Rs.108.867 million on discounts allowed on invoices.

However, CIR(A) remanded back the issue of non-deduction of tax aggregating Rs.59,509 million on additional trade discounts by directing the DCIR to re-examine the issue based on the nature of discount. The Commissioner Inland Revenue (CIR) has filed an appeal on April 18, 2015 against the abovementioned order of CIR(A) before the Appellate Tribunal Inland Revenue (ATIR). ATIR on January 25, 2021 has upheld the order of CIR(A) and remanded back the issue for fresh verification.

- 32.1.3.3 The Company received a show cause notice dated June 27, 2016 from Assistant Commissioner Enforcement-II, Punjab Revenue Authority (PRA), Government of Punjab for proceeding against the Company for alleged violation of various sections of Punjab Sales Tax on Services Act, 2012 (the Act) read with Punjab Sales Tax on Services (Specific Provisions) Rules, 2012 (the Rules) and demanded tax on account of Punjab sales tax on franchises services aggregating Rs.55.443 million. Further, penalties aggregating Rs.2.962 million has also been charged.
- 32.1.3.4 The Company against the abovementioned show cause notice filed a petition on July 15, 2016 before the High Court of Sindh (the Court) on the basis that PRA has no jurisdiction to issue such notice. The Company is engaged in manufacturing of automotive batteries and owing to its technical assistance agreement with technology supplier it pays technical fees to them and in respect of such technical services the Company is making regular payments of Sindh Sales Tax to the Sindh Revenue Board. Further, the Company's factory premises as well as all production and entire operations are in province of Sindh, therefore PRA has no jurisdiction to demand any sales tax on franchise fees on the basis of purported apportionment of the same. The Court, through its interim order dated July 15, 2016 issued notices to concerned persons / representatives and suspended the operations of abovementioned show cause notice.
- 32.1.3.5 The Deputy Commissioner Inland Revenue (DCIR), Large Taxpayers Unit, Karachi, for the tax year 2015 passed an order dated January 22, 2016 under section 161 / 205 of the Income Tax Ordinance, 2001 (the Ordinance) on account of non-deduction of withholding tax on various expenses and created a demand of Rs.56.449 million, including default surcharge and penalty. The Company filed a rectification application on February 11, 2016 against the aforesaid order pursuant to which the DCIR passed a rectified order dated February 22, 2016 under section 221 / 161 / 205 of the Ordinance. As a result of the rectified order, the total demand of Rs.56.449 million identified in the original order was reduced to Rs.0.398 million inclusive of default surcharge and penalty.

While passing the rectified order, the DCIR created an additional demand of Rs.81.593 million including default surcharge and penalty on account of non-deduction of tax on discounts allowed to dealers. The Company filed an appeal before the Commissioner Inland Revenue (Appeals) [CIR(A)] on March 10, 2016 against the rectified order and challenged the aggregate demand of Rs.81.991 million. Pursuant to this appeal, CIR(A) passed an order dated June 8, 2016 under section 129 of the Ordinance and granted relief to the Company on aggregate demand of Rs.81.991 million. The Commissioner Inland Revenue (CIR) filed an appeal on August 5, 2016 against the above mentioned order of CIR(A) before the Appellate Tribunal Inland Revenue (ATIR). ATIR on July 30, 2019 had remanded back the issue of non-deduction of tax on trade discount allowed to dealers with the direction to the income tax authorities to examine the issue afresh. Accordingly, the DCIR conducted fresh monitoring of withholding income tax for the aforesaid year in lieu of the above ATIR directions and passed an order dated June 29, 2021 under section 161 / 205 of the Ordinance on the same issue of non-deduction of tax on discounts allowed to dealers and created a demand of Rs.121.735 million including default surcharge and penalty. The Company has filed an appeal before CIR(A) on July 19, 2021, which is pending adjudication. The Company has obtained stay order from Honourable High Court of Sindh on August 06, 2021 against the recovery of the aforesaid demand.

- 32.1.3.6 The Additional Commissioner Enforcement-III (Assessing Officer), Punjab Revenue Authority (PRA), Government of Punjab issued a show cause notice to the Company and alleged that the Company has failed to withhold and deposit the Punjab Sales Tax on advertisement services. The Company responded that some of the service providers do not have their registered office in the territorial jurisdiction of Punjab and in most of the cases, services were not completely consumed in Punjab only rather were electronically transmitted throughout Pakistan.

Further, the Company had withheld sales tax from all the payments made against said services and has deposited either to Federal Board of Revenue (FBR) or Sindh Revenue Board (SRB), therefore, demand raised by PRA would tantamount to double jeopardy for the Company. However, the Assessing Officer did not consider the arguments of the Company and passed an order dated May 22, 2017 under section 14 & 19 of Punjab Sales Tax on Services Act 2012 read with Punjab Sales Tax on Services (Withholding) Rules 2012 & 2015 and created an impugned demand of Rs.4.327 million including penalty.

The Company filed an appeal before Commissioner (Appeal), PRA, Lahore on June 23, 2017 against the aforementioned demand who had also upheld the order of the Assessing Officer on October 3, 2017. The Company then filed an appeal before Appellate Tribunal, PRA, Lahore on November 23, 2017. The Appellate Tribunal, PRA, Lahore has also upheld the order of the Commissioner (Appeal), PRA, Lahore on November 23, 2020. However, contrary to the factual position, the Appellate Tribunal, PRA, Lahore made an inadvertent error that the Company had not provided any proof of payments of withholding tax on services made to FBR and / or SRB; whereas in actual the proofs of payments were duly submitted and acknowledged by Commissioner (Appeals), PRA, Lahore as also mentioned in his order dated October 3, 2017.

The Company has filed a rectification application before the Appellate Tribunal, PRA, Lahore on January 15, 2021 for said correction in its order which is pending for hearing. The Company has also filed a petition before Honourable Lahore High Court on January 20, 2021 for grant of stay from coercive actions and to declare the order of Appellate Tribunal, PRA, Lahore illegal and unlawful which is pending for hearing.

- 32.1.3.7 Additional Commissioner Inland Revenue (ACIR), Large Taxpayers Unit, Karachi, for the tax year 2016 passed an order dated November 30, 2017 under section 161 / 205 of the Income Tax Ordinance, 2001 (the Ordinance) on account of non-deduction of tax on (i) trade discount allowed to dealers, (ii) rent paid to Atlas Foundation, (iii) cartage & octroi expenses, (iv) repair and maintenance expenses and (v) entertainment expenses. ACIR through the order created an aggregate demand of Rs.200.172 million including default surcharge and penalty. The Company filed an appeal before Commissioner Inland Revenue (Appeals) [CIR(A)] on December 20, 2017 against (i) and (ii), whereas tax levied for (iii), (iv) and (v) were not contested in appeal. The Company paid the demand of Rs.1.5 million in light of directions given by [CIR(A)] on December 22, 2017 while granting stay from recovery proceedings which duly covers the balance tax demand of Rs.1.221 million in respect of issues not contested in appeals. Pursuant to the appeal, CIR(A), on January 22, 2018, passed an order under section 129 of the Ordinance and granted relief in respect of both issues contested i.e. (i) trade discount allowed to dealers and (ii) rent paid to Atlas Foundation. The department had filed an appeal on April 23, 2018 against the abovementioned order of CIR(A) before the Appellate Tribunal Inland Revenue (ATIR). ATIR on July 30, 2019 had remanded back the issue of non-deduction of tax on trade discount allowed to dealers with the direction to the income tax authorities to examine the issue afresh while no decision was given in respect of levy of tax payment of rent.

Accordingly, the DCIR conducted fresh monitoring of withholding income tax for the aforesaid year in lieu of the above ATIR directions and passed an order dated June 29, 2021 under section 161 / 205 of the Ordinance on the same issue of non-deduction of tax on discounts allowed to dealers and payment of rent, and created a demand of Rs.266.050 million including default surcharge and penalty. The Company has filed an appeal before CIR(A) on July 19, 2021, which is pending for adjudication. The Company has obtained stay order from Honourable High Court of Sindh on August 06, 2021 against the recovery of the aforesaid demand.

- 32.1.3.8 Assistant / Deputy Commissioner Inland Revenue (DCIR), Large Taxpayers Unit, Karachi, for the tax year 2017 passed an order dated October 24, 2018 under section 161 / 205 of the Income Tax Ordinance, 2001 (the Ordinance) on account of non-deduction of tax on (i) trade discount allowed to dealers, (ii) sales promotion, (iii) travelling, (iv) repair and maintenance expenses, (v) water charges, (vi) cartages and (vii) local purchase. DCIR through the order created an aggregate demand of Rs.266.079 million including default surcharge and penalty. The Company filed an appeal before Commissioner Inland Revenue (Appeals) [CIR(A)] on November 13, 2018 against (i) and (ii), where as tax levied for (iii), (iv), (v), (vi) and (vii) were not contested in appeal.

The Company paid the demand of Rs.1.441 million on November 19, 2018 in respect of issues not contested in appeals. Pursuant to the appeal, CIR(A), on December 20, 2018, passed an order under section 129 of the Ordinance and granted relief in respect of issue contested at (ii) sales promotion and upheld the decision of DCIR in respect of issue contested at (i) trade discount allowed to dealers. The Company had filed an appeal on December 31, 2018 against the abovementioned order of CIR(A) in respect of issue at (i) trade discount allowed to dealers before the Appellate Tribunal Inland Revenue (ATIR). Moreover, the company had obtained stay from the High Court of Sindh against the demand confirmed by CIR(A). ATIR on July 30, 2019 had remanded back the issue of non-deduction of tax on trade discount allowed to dealers with the direction to the income tax authorities to examine the issue afresh. Accordingly, the DCIR conducted fresh monitoring of withholding income tax for the aforesaid year in lieu of the above ATIR directions and passed an order dated June 29, 2021 under section 161 / 205 of the Ordinance on the same issue of non-deduction of tax on discounts allowed to dealers and created a demand of Rs.333.955 million including default surcharge and penalty. The Company has filed an appeal before CIR(A) on July 19, 2021 which is pending for adjudication. The Company has obtained stay order from Honourable High Court of Sindh on August 06, 2021 against the recovery of the aforesaid demand.

32.1.3.9 The Deputy Commissioner Inland Revenue (DCIR), Large Taxpayers Unit, Karachi conducted sales tax investigative audit for the period from July 2013 to June 2018 and passed an order dated November 14, 2019 with respect to (i) input tax claims against purchases from certain suppliers whose status was subsequently found as blacklisted / suspended on FBR web portal, (ii) input tax claims against purchases which were alleged to be inadmissible as per the Sales Tax Act, 1990 (the Act) & (iii) non-payment of extra tax on sales. DCIR, through abovementioned order raised an aggregate demand of Rs.49.041 million (including default surcharge and penalty of Rs.15.297 million).

The Company paid Rs.2.557 (including default surcharge and penalty of Rs.0.708 million) being amount not contested and filed an appeal on December 11, 2019 before Commissioner Inland Revenue (Appeals) [CIR(A)] under section 45(B) of the Act against the above order for remaining amount. Pursuant to the appeal, the CIR(A), through his order dated December 30, 2019, granted partial relief to the Company in respect of the above mentioned points by disallowing demand to the tune of Rs.11.154 million and remanded back the allegations involving sales tax to the tune of Rs.17.741 million (both without default surcharge and penalty). Further, CIR(A) also order the DCIR to re-work the amount of default surcharge and penalty after giving effect of appeal order. However, the Commissioner Inland Revenue (CIR) has filed an appeal on February 20, 2020 against the abovementioned order of CIR(A) before the Appellate Tribunal Inland Revenue, which is pending for hearing.

32.1.3.10 Additional Commissioner Inland Revenue (ACIR), Audit-II, Range-D, Large Taxpayers' Office, Karachi, for the tax year 2018 passed an order dated January 28, 2021 under section 122(5A) of the Income Tax Ordinance, 2001 (the Ordinance) which inter alia included (i) additions pertaining to non-deduction of withholding tax on trade discount, (ii) disallowance of warranty expense and (iii) disallowance of certain tax credits. The ACIR through the order created an aggregate demand of Rs.658.995 million. The Company filed a rectification application for the apparent errors in the order and also filed an appeal before the Commissioner Inland Revenue (Appeals) [CIR(A)] on February 19, 2021. Pursuant to the appeal, CIR(A) on April 14, 2022, passed an order under section 129 of the Ordinance and granted partial relief to the Company by deleting the demand in respect of various expenditures, remanded back the issues on disallowances of tax credits and certain expenditures and upheld the demand related to additions pertaining to non-deduction of withholding tax on additional discounts. The Company has filed an appeal before Appellate Tribunal Inland Revenue (ATIR) in respect of issues confirmed by CIR(A), which is pending for hearing.

32.1.3.11 Deputy Commissioner Inland Revenue (DCIR), Unit -4, Audit-1, Large Taxpayers' Office, Karachi conducted sales tax audit for the period from July 2018 to June 2019 and passed an order dated June 29, 2021 under section 11(2) of the Sales Tax Act, 1990 (the Act) and created demand of Rs.1.549 billion including default surcharge and penalty. The significant issue alleged in this order is claiming of input tax adjustment on fake and flying sales tax invoices.

The Company filed an appeal before Commissioner Inland Revenue (Appeals) [CIR(A)] on July 27, 2021. Pursuant to the appeal, CIR(A) on April 14, 2022, passed an order under section 45B of the Act and granted partial relief to the Company by deleting the demand on various issues, remanded back the allegations including input tax adjustment on fake and flying sales tax invoices and reduced the aforementioned demand to the extent of Rs.5.645 million pertaining to inadmissible input tax adjustments including default surcharge and penalty. The Company has filed an appeal before Appellate Tribunal Inland Revenue (ATIR) on June 07, 2022 in respect of issues confirmed by CIR(A), which is pending for hearing.

32.1.3.12 Deputy Commissioner Inland Revenue (DCIR), Unit -4, Audit-1, Large Taxpayers' Office, Karachi conducted sales tax audit for the period from July 2019 to June 2020 and passed an order dated June 30, 2021 under section 11(2) of the Sales Tax Act, 1990 (the Act) and created demand of Rs.1.669 billion including default surcharge and penalty. The significant issue alleged in this order is claiming of input tax adjustment on fake and flying sales tax invoices. The Company filed an appeal before Commissioner Inland Revenue (Appeals) [CIR(A)] on July 27, 2021. Pursuant to the appeal, CIR(A) on April 14, 2022, passed an order under section 45B of the Act and granted partial relief to the Company by deleting the demand on various issues, remanded back the allegations including input tax adjustment on fake and flying sales tax invoices and reduced the aforementioned demand to the extent of Rs.4.382 million pertaining to inadmissible input tax adjustments including default surcharge and penalty. The Company has filed an appeal before Appellate Tribunal Inland Revenue (ATIR) on June 07, 2022 in respect of issues confirmed by CIR(A), which is pending for hearing.

32.1.3.13 Assistant / Deputy Commissioner Inland Revenue (DCIR), Unit-4, Audit-1, Large Taxpayers' Office, Karachi conducted income tax audits for the tax years 2016, 2018, 2019 & 2020 and accordingly, passed orders dated July 29, 2021 under section 122(1) of the Income Tax Ordinance, 2001 (the Ordinance) and created demand of Rs.2.597 billion, Rs.3.746 billion, Rs.2.963 billion and Rs.2.225 billion, respectively for the said tax years. The significant issues alleged in these orders are disallowance of purchases on account of alleged fake and flying sales tax invoices, difference in bank credit entries with audited accounts, add backs of additional discounts and disallowance of certain expenditures. The Company filed appeals before Commissioner Inland Revenue (Appeals) [CIR(A)] on August 23, 2021. Pursuant to the appeals, CIR(A) on April 14, 2022, passed an order under section 129 of the Ordinance and granted partial relief to the Company by remanded back various issues including disallowance of purchases on account of alleged fake and flying sales tax invoices, difference in bank credit entries with audited accounts and disallowance of certain expenditures for fresh verification and upheld the demands in respect of other issues which significantly involves the add backs on additional discounts. The Company has filed appeals before the Appellate Tribunal Inland Revenue (ATIR) in respect of the issues confirmed by the CIR(A), which is pending for hearing.

#### 32.1.4 Atlas Honda Limited (AHL)

##### Contingencies

32.1.4.1 Various cases have been filed against the Company by some former employees for reinstatement of service and are pending in different courts of Pakistan. The management is confident that outcome of these cases will be in favour of the Company and hence no provision is made in these financial statements.

32.1.4.2 Guarantees aggregating to Rs.1,784 million thousand (2021: Rs.1,277 million) have been issued by commercial banks to government and semi government institutions for import of raw materials and supply of goods.

#### 32.1.5 Atlas Insurance Limited (AIL)

32.1.5.1 The tax authorities had raised demand amounting to Rs. 117.8 million against the Company for the tax years 2009 to 2014, that primarily pertained to the rate of tax on dividend, rental income and WWF. Commissioner Inland Revenue (Appeals) [CIR (A)] partially upheld the decision and reduced the demand to Rs. 59.7 million. The Company filed appeals against the CIR(A) decision before the Appellate Tribunal Inland Revenue (ATIR) wherein the decision of CIR(A) was upheld. The Company has filed a reference application against the decision of ATIR before the Honorable Lahore High Court which is currently pending adjudication. No provision has been recognized in these financial statements since the management believes that there are meritorious grounds that the case will be decided in favor of the Company.

32.1.5.2 For the tax year 2017, the Deputy Commissioner Inland Revenue (DCIR) created a tax demand of Rs. 654.47 million, which mainly pertained to disallowances due to need of underlying evidences and disallowance of certain expenses due to non-deduction of withholding tax. Being aggrieved, the Company filed an appeal before the CIR (A) against the aforesaid order, who has disposed of the appeal and remanded back the entire case to the DCIR for reconsideration. The has Company filed an appeal before ATIR against the order of the CIR (A). No provision has been recognized in these financial statements since the management believes that there are meritorious grounds that the case will be decided in favor of the Company.

32.1.5.3 For tax year 2005, the Tax authorities disputed the Company's treatment on certain issues disallowing expenses, creating a demand of Rs. 70.69 million. Being aggrieved by the treatment meted out by the additional CIR, the Company filed appeal before CIR (A) which was decided in favor of the Company. However, the department filed appeal against the order of CIR (A) before ATIR, which was decided in favor of the Company on the grounds of time limitation. No provision has been recognized in these financial statements.

### 32.1.6 Atlas Metals (Private) Limited (AML)

32.1.6.1 Deputy Commissioner Inland Revenue (DCIR), Enforcement-I, Medium Tax Office, Karachi served show cause notice dated September 28, 2020 pertaining to tax period July 2017 to June 2019, stating that the Company has claimed inadmissible input tax on the purchases from M/s. Denar Industries (Private) Limited, who was involved in claiming input tax against fake invoices amounting to Rs.39,156,459. The Company submitted its response stating that the said supplier was neither blacklisted nor blocked by FBR at the time of input claim and that subsequent blacklisting of a supplier could not deprived the registered person of its right of claim of input tax. Further, the Company has complied with all the requirements as required under Sales Tax Act, 1990 for claim of input tax. DCIR on November 25, 2020, raised the demand against the notice amounting Rs.39,156,459. The Company has filed an appeal before Commissioner Inland Revenue (Appeals) [CIR(A)] which was decided against the Company on February 24, 2021.

The Company has filed an appeal before Appellate Tribunal Inland Revenue (the Tribunal) which is pending adjudication. However, the Tribunal has issued stay order against the aforesaid demand.

32.1.6.2 The Company is defending a suit in Honourable High Court of Sindh for recovery of Rs.73.49 million under Fatal Accident Act, 1855. The case is pending for hearing. No provision have been made in these financial statements.

**44 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES**

- 44.1** The Group is exposed to market risk, credit risk and liquidity risk. The Group's management oversees the management of these risks. The Group's management ensures that Group's activities are governed by appropriate policies and procedures and that the financial risks are identified, measured and managed in accordance with group policies and group risk appetite. The Board of Directors review and agree policies for managing each of these risks which are summarized below.

**44.2 Market risk**

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates and foreign exchange rates.

**(i) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's short term investments and bank deposits in saving accounts. At the balance sheet date, the interest rate profile of the Group's interest-bearing financial instruments is as follows:

|                                 | 2022            |                                       |                             |                                      |

**(ii) Foreign exchange risk**

Foreign currency risk is the risk that future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. As at the reporting date, if Rupee had strengthened/ weakened by 5% against U.S Dollar, Japanese Yen and Euro with all other variables held constant, profit before taxation for the year would have (decreased) / increased by Rs. (94.14) million and Rs. 94.14 million respectively, mainly as a result of net foreign exchange (loss) / gain on translation of financial asset and liabilities.

**44.3 Liquidity risk**

Liquidity risk is defined as the risk that the Group will encounter difficulty in meeting obligations associated with financial liabilities. Liquidity risk arises because of the possibility that the Group could be required to pay its liabilities earlier than expected.

The table below summarizes the maturity profile of the Group's financial liabilities. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date.

| <b>2022</b>              | <b>Less than<br/>1 year</b> | <b>1 to 5<br/>years</b> | <b>More than<br/>5 years</b> | <b>Total</b>      |
|--------------------------|-----------------------------|-------------------------|------------------------------|-------------------|
|                          | <b>Rupees in '000</b>       |                         |                              |                   |
| <b>Liabilities</b>       |                             |                         |                              |                   |

#### 44.5 Fair value of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

##### 44.5.1 Fair value hierarchy

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the balance sheet date. The estimated fair value of all other financial assets and liabilities is considered not significantly different from book value.

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Fair value measurements using inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

|                                       | Level 1                    | Level 2          | Level 3  | Total            |
|---------------------------------------|----------------------------|------------------|----------|------------------|
|                                       | ----- Rupees in '000 ----- |                  |          |                  |

During the year ended June 30, 2022, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

- 44.5.2** Valuation technique used in determination of fair values within level 2. Fair values of investment in units of mutual funds are determined based on redemption prices disclosed at mutual fund Association of Pakistan (MUFAP) as at the close of business days.

#### 44.6 Capital management

The Group's objectives when managing capital are to safeguard the Group's ability to continue as a going concern in order to provide returns for shareholders and benefit for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

The Group manages its capital structure and makes adjustment to it in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders or issue new shares.

The Group monitors capital using the gearing ratio, which is debt divided by total equity plus debt. Debt includes term loans and short term borrowings:

|                       | 2022                       | 2021        |
|-----------------------|----------------------------|-------------|
|                       | ----- Rupees in '000 ----- |             |
| Term loans            | 19,002,951                 | 13,631,139  |
| Short term borrowings | 16,740,897                 | 16,438,930  |
| Debt                  | 35,743,848                 | 30,070,069  |
| Equity                | 91,408,517                 | 89,445,106  |
| Equity plus debt      | 127,152,365                | 119,515,175 |
| Gearing ratio         | 28%                        | 25%         |

#### 45 Number of employees

|                             |       |       |
|-----------------------------|-------|-------|
| Employees as on year end    | 2,913 | 3,604 |
| Average number of employees | 2,928 | 3,463 |

#### 46 CORRESPONDING FIGURES

Certain prior years figures have been reclassified, wherever necessary. However, there were no material reclassifications to the report.
